**The Center for
International Students
Preparation**

About the center

The Center for International Students Preparation offers preparatory courses for foreigners willing to obtain a university degree in Russia. All programs are intended for step-by-step preparation for successful admission to Russian bachelor and master programs.

The students study Russian from scratch and reach the B1 level in a year. During the whole education period, they are supported by the curators with English and Chinese knowledge.

The students who finish education and successfully pass final exams receive a certificate which gives them an opportunity to study within quota in the leading Russian universities and get up to a 100% discount for the Adaptation bachelor program.

7 reasons to choose our center

1. Up to a 100% discount for the Adaptation bachelor program
2. An opportunity to study within quota in the leading Russian universities
3. Support of the curators with Russian and Chinese knowledge during the whole education period
4. Learning Russian from zero to B1 level in a year
5. Vivid extracurricular activities
6. Visa invitation preparation and student visa valid till 31 August
7. Place in a dormitory

Why study Russian?

It is one of the UN official languages

Around 260 million people speak Russian

Acquaintance with the outstanding works of Russian culture and science

Traveling across Russia

Competitive advantage in the labor market and business development

The Department of Russian as a foreign language

The Department of Russian as a foreign language was established in 2016 as a structural unit of the Institute for Social Sciences at the RANEPA in order to implement programs of Russian as a foreign language for international students.

The department unites qualified and skilled professors having a long-term experience in the work with foreign students from Europe, Asia, Africa, and the USA. Annually up to 100 students from 32 countries study in the department.

The professors created and tested a couple of additional education programs which are aimed at different preparation periods considering the level of language.

Students' life

The Institute for Social Sciences seeks friendship between Russian and Chinese students. On the base of our institute works the club «Matryoshka». Its members learn each other's languages and break stereotypes about the countries. The club holds events aimed at the adaptation of Chinese students to the Russian reality and exploration of Russian and Chinese cultures.

During the past year, our students took part in such events as:

1. The Middle Autumn Day
2. The conference «Problems in education and adaptation of international students in Russia and abroad»
3. Russian Language Day
4. Easter Celebration
5. The meeting with the president of the Xiangqi federation
6. Video contest «The road to Celestial Empire»
7. International teambuilding «More joyful together»

Our students win contests and speak at conferences:

1. Li Hongxing and Xie Lanxuan – prizewinners of the conference at the National Research Tomsk Polytechnic University
2. Ma Feixiang, Wang Xiaopei, Zhang Yue, Xiao Xusheng, Wang Yaozheng - winners of the conference «Problems in education and adaptation of international students in Russia and abroad»
3. Xie Lanxuan, Li Chenxi, Li Jing - prizewinners of the conference «Problems in education and adaptation of international students in Russia and abroad»
4. Li Hongxing – special prize in the nomination «International Student of the Year» at the contest «Moscow Student of the Year»

Our partners

The Center for International Students Preparation is a partner of the leading Russian and foreign universities and non-profit public organizations:
